

## DEVELOP A PYTHON SCRIPT

Team ID : PNT2022TMID31875

The image shows two windows from the Python IDLE environment. The top window, titled 'Sum.py - C:\Users\logha\Documents\Python\Sum.py (3.10.8)', contains a Python script that takes two numbers as input and prints their sum. The bottom window, titled 'IDLE Shell 3.10.8', shows the execution of the script. It displays the Python version and architecture, followed by the execution of a test print statement and the execution of the Sum.py script, which prompts for two numbers (5 and 10) and outputs the sum (15).
